Doctor Helen Li made me happy. Because I got breast cancer for 8 mth ago. Doctor tell me breast cancer which is big same. ~~egg~~ with egg they want to send me do the operation straight away but I'm so scared I know a lot of people ~~dead~~ died after operation so I went to try alternative treatment. I came to ask Dr Helen Li to help me. She did accupature & bleeding for 2 times in a week for a few weeks. Now my breast very soft and ~~hard~~ hardly find the ~~lump~~ lump. Now I ask doctor Helen Li to help me have a another baby because I fill happy in my life and my true story if I have a another baby I will share my stories to people. Thank you for people read this story
